Description

In March 2009 Form+Content Gallery will mark its 2-year anniversary. In celebration, the gallery artists have invited artists whose work and ideas they admire to show with them side-by-side in the exhibition *Form+Contentx2*. Some of these artistic pairings may suggest parallel investigations of content using different forms, or the use of similar forms to explore different subjects or ideas. The exhibition does not posit similarity or difference as artistic models, but rather suggests esthetic relationships that may surprise not only the viewers, but the artists as well.

Mission Statement

Form + Content Gallery will nurture diverse artistic practice and thoughtful dialogue. We value art as a catalyst for critical thinking. We value integrity and the artistic process. We aspire to link personal expression to broader social contexts. Form + Content Gallery is dedicated to moving the definitions and practice of culture forward in new and lively ways. Suggestions and ideas for cultural partnerships and programs are welcome.
